2019-2020 SCHEDULE

OCTOBER 8:
Kindergarten Readiness: How important is it for your child to know their ABC’s and 123’s? Or are there other skills you should be focusing on and preparing them for?

NOVEMBER 12:
Successful College Scholarship Strategies: Have a high-schooler that is thinking about college and all you see are the $$$ stacking up? OSU’s Office of Financial Aid will walk you through what you should know about so that you feel prepared.

JANUARY 14:
Social Media, Technology & Your Kids: One of the biggest parenting hot topics has been the increasing use of social media and technology in tweens/teens. Come learn what it means to be a “techno-parent” and what to watch for.

FEBRUARY 11:
Make Parenting a Pleasure: Identify your strengths as a parent, take better care of yourself and discover new ways to make parenting easier.

APRIL 14:
Spring Cleaning with Queen B Organizing: It is that time of year, when you look around and think to yourself “Where did all this stuff come from?”. Come learn tips and tricks on how to make the most of your spring cleaning (and how to get the whole family involved!).

MAY 12:
Birth to 5: The most critical period in a child’s development is from birth to 5 years old. Come learn about the early stages of your child’s development and get answers to questions you may have!

BEAVER FAMILY CONNECTIONS

Bring your lunch and join in on interesting topics and discussions related to your child’s development and your family health and well being. Topics will span your child's life from infancy through high school and are presented by local experts in the field! Complimentary snacks provided!

Second Tuesday of the month from 12-1pm in Memorial Union 207.
