In order to gain a better understanding of the circumstances parents face, we require that a cover letter accompany every application. Please tell us a little about yourself and your family, as well as any changes that are taking place (pregnancies, adoptions, illnesses, divorces, child care changes, etc.) Should you feel the numbers on your application do not fully represent your situation; the cover letter is your opportunity to describe the unique circumstances of your family. Please restrict your cover letter to one page, single spaced. You may also use the back of this page should a computer not be available.
