**Subject:** Enrollment Interest Form Confirmation

Hello families,

Thank you for filling out the enrollment interest form. Your timely response enables us to understand the number of current Beaver Beginnings children/families interested in enrolling in our new center. And from this number, we will determine the number of staff we will need to hire. Our goal is to be able to provide care to all current families who have expressed interest, and meeting that goal will be dependent on how many early care and education teachers we are able to hire.

We are working as quickly as possible to interview and hire new staff, with onboarding of new staff due to begin in mid-July. We will be in touch with you, the families who are now on the enrollment interest list, as we have more information to share. As we've shared previously, if you do find care elsewhere (for the summer or beyond), you can remain on this list and still have priority enrollment after we have determined how many classrooms, we are able to open in early September.

We are excited to announce that Shanon Rice and Noelle Arnold (current Our Little Village (OLV) Site Director and Assistant Director) will be transitioning to the new center operations beginning in July. For those of you who have used OLV before, or plan to this summer, you will have the opportunity to meet them and begin building that relationship. Their transition also reflects our commitment to professional growth and leadership development within the Family Resource Center. Promoting from within is not simply a philosophy we value, but an intentional practice we actively utilize as we grow our programs and support emerging leaders.

We are also happy to share that we will be offering family tours of the Azalea ECE Center to allow families to see our program rooms and curriculum in action. We are holding two group sessions: the first on Monday, June 8 from 3-4pm and the second on Wednesday, June 10, from 9:30-10:30am. [Please RSVP if you plan to attend one of these tours.](#) If you are not available during those times, but would like to find another time to meet, please let me know.

Take care,

**Erika (Woosley) Moberg**, B.S., Associate Director, Family Resource Center  
Director of Facilities and Operations
