

# YOUTUBE DRAWING TUTORIAL CHANNELS

## Teens

### Cartooning 4 Kids:

Does your tween/teen love cartoons? This channel offers easy to follow tutorials for many of today's cartoons. Best news is they offer new lessons 7 days a week!

### Mark Crilley:

Mark is a published author/illustrator offering How-to-Draw videos for those wanting to master Manga and Anime! They also have other tutorials for a range of other styles/techniques.

### Circle Line Art School:

Tom McPherson specializes in perspective and architectural drawings and throws in optical illusions and landscapes from time to time as well. New videos are uploaded every Saturday!

### Lunch Doodles with Mo Willems

In response to COVID-19 and families being stuck at home, Mo Willems began offering free live-stream drawing tutorials every day at 1pm EST! Videos are for beginners/younger artists
