By completing my child’s registration, I understand that during the time the Oregon Health Authority and Oregon Early Learning Divisions, **Health and Safety Guidelines for Child Care and Early Education Operating in COVID-19** are in place, each day that my child is in care at the Our Little Village centers:

1. I will wear a face covering or face shield while dropping off and picking up my child at the Our Little Village centers.
2. My child who is a Kindergartener or older, will wear a face covering or face shield during their time at the Our Little Village centers.
3. I will not be able to enter the OLV child care centers unless there is an emergency or I am a breastfeeding mom.
4. My child’s temperature will be taken by OLV employees prior to my child entering the OLV center. If my child’s temperature is 100.4 F or over, my child will not be able to be cared for.
5. I will be asked by OLV employees, the following 4 questions about my child and if my answer is “yes” to any one of the questions, my child will not be able to be cared for at Our Little Village:
   a. Has your child been exposed to a person with a positive case of COVID-19 in the past 14 days?
   b. Has your child been exposed to a person with a presumptive case of COVID-19 in the past 14 days?
   c. Is your child experiencing unusual cough, shortness of breath, or fever? “Unusual cough” means something not normal for this person (e.g., allergies, asthma)?
   d. Does your child have symptoms of diarrhea, vomiting, headache, sore throat, or rash?
