Guidelines for Accessing Child Care and Child Care Assistance funds during the Summer Term

Student Child Care Assistance (CCA) Funds
To be considered for CCA funds, a parenting student must be currently enrolled, verify engagement in a degree-seeking activity or working during the summer term. Students who graduated at the end of the academic year are not eligible for CCA funds. New students due to enroll in the upcoming fall term are not eligible for CCA.

Our Little Village (OLV) Child Care Program
Parenting students who had been enrolled in the Fall, Winter and/or Spring term and/or are enrolled for the Fall term of the new academic year may be eligible to send their children to OLV at no cost per the following priority registration guidelines:
1. First priority will be given to students who are enrolled and/or actively engaged in degree-seeking activities during the summer term.
2. Second priority will be given to students who are not enrolled and/or engaged in degree-seeking activities during the summer term.
Lastly, students who graduated at the end of the academic term may have access to OLV child care for 90 days at the employee rate if child care slots are available after priority registration has been completed.

Beaver Beginnings and Azalea Child Care Centers
Please refer to the Campus Child Care Center policy for more information on student access requirements. Parenting students who had been enrolled in Spring term at a minimum of 6 credits for undergraduates and a minimum of 3 credits for graduates are eligible to continue child care at these centers if they are enrolled for the summer term. Those not meeting the minimum credit requirements for summer term (inclusive of those that have graduated) will be given a 90 day grace period through the summer to transition to alternate care or come back into student status.

Employee Access to Child Care
Employees who are classified staff, professional faculty, academic faculty, or on academic wage appointment and who are being paid directly by OSU may have continued access to child care at OLV, Beaver Beginnings and Azalea Child Care Center throughout the summer. Tuition rates for care vary among each center. Employees who discontinue employment at OSU and whose children are enrolled at Beaver Beginnings CCC or Azalea CCC will be given a 90 day grace period to find alternative child care. Access to the OLV child care program is on-going employment dependent.
